Applicants hereby petition to revive the above-identified patent application under 37 C.F.R. 1.137(b). The application became unintentionally abandoned on March 10, 2004 for failure to timely file a Notice of Appeal to the Board of Patent Appeals and Interferences from the decision of the Examiner. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137 (b) was unintentional.

Applicants submit herewith a Notice of Appeal from the Examiner to the Board of Patent Appeals and Interferences and a Request for Oral Hearing on Appeal. Applicants also submit herewith a Request for Extension of Time extending the period for response from January 10, 2004 to March 10, 2004, and the authorization for the Commissioner to charge the required fees.

A favorable decision on this Petition is respectfully requested.

Please charge the amount of \$1,330.00 for payment of the fee under 37 C.F.R. 1.17(m) for filing this Petition to Revive under 37 C.F.R. §1.137(b) to Deposit Account 11-0600.

No terminal disclaimer is required since the subject utility application was filed after June 8, 1995.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment in connection with the papers transmitted herewith, to Deposit Account No. 11-0600. A copy of this communication is enclosed for charging purposes.
